

The diagram consists of several horizontal gray bands of varying widths. A vertical black line runs through the center, with several other vertical lines branching off to the right. Labels '17', '13', '14', and '15' are placed at the top of these vertical lines. A dashed orange line runs horizontally across the lower part of the diagram. A red dot is located on the right side, near the center. There are also some small black dots and a horizontal black line on the left side.
